

About the **Epilepsy Symposium**

The Epilepsy Symposium is a one-day conference sponsored by the Epilepsy Foundation Central & South Texas and presented by St. David's North Austin Comprehensive Epilepsy Center and community experts.

Our goal is to provide an opportunity for the community to receive current information about epilepsy and seizures, treatment therapies, and the day-to-day experiences associated with epilepsy and seizure disorders.

Who should attend?

This symposium is tailored for:

- People with epilepsy & seizure disorders
- Caregivers
- Parents
- Family members
- Community members
- And, anyone with an interest in epilepsy!
